

NWCOA Bat Standards Instructions

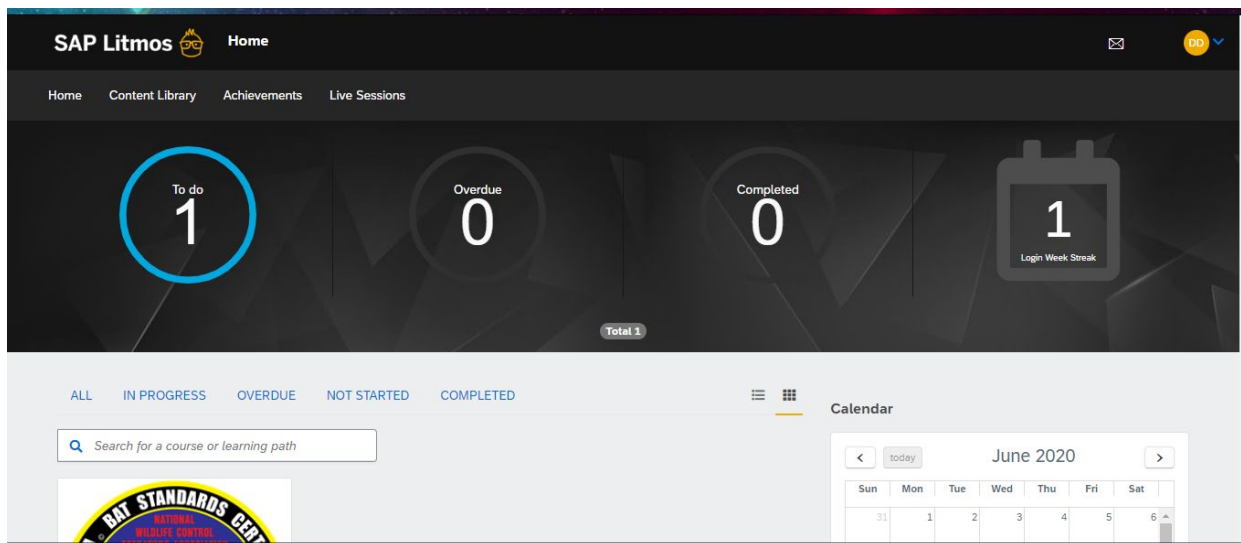

You will receive an email from NWCOA <systems@litmos.com> titled, "NWCOA login information".

If you do not see it in your inbox, please check your spam folder.

When you click on the one time link, it will ask you to fill in your contact information and to create a password. Please fill in your information and click "Continue".

It will bring you to your dashboard. It will show you your "to do" items. You will need to scroll down and click on the training you would like to complete.

The final exam will be locked until you complete the entire course.

This course is a five-hour, virtual classroom style training course taught by Certified NWCOA Instructors. Upon completion of this course and successful passing of a test, the WCO will become NWCOA Bat Standards Certified. Successful students will also receive a certificate of completion and have use of the logo mark in marketing materials.
